Brianna  
Store Manager  
Gaudy Me  
305 W loop 281

Dear, Brianna

I am in need of a job and I was wondering through jobs in the Longview area on the internet and as doing so, I stumbled on the Gaudy Me website. I Desire to work in a fun, healthy, and laid back environment and when I took a look at the website and talked to a store worker on the phone, I knew Gaudy Me was the place where I wanted to work.

I believe I would be fit for the job because of my past experiences such as helping my friends find nice outfits to wear and also being able to work well with people and well around kids. I have babysat for now 3 years and I always hear from the parents how the kids would like me to come back and babysit. The requirements for the job position and my experiences tie together by me being able to work well with others, the store is more of a young adult store and being able to dress people well is one of my many talents. I also believe that if you give me the job I will be able to help sales increase and have customers leave with a happy face and come back to shop at the Gaudy again.

It would also be nice if I could speak with you in person about the job position. I am available at almost anytime. You may call my cell phone number at 903-422-6958 or I can call you, which ever one if convenient for you.

Sincerely,

Morgan Jones
